Notice of Commission Systems Outages

Effective Date: November 10, 2017

The BC Oil and Gas Commission (Commission) is advising operators of a Commission systems outage from **4 p.m., November 10 to 8 a.m., November 14, 2017 PST**. This outage is for essential maintenance work and will include all Commission systems including:

- AMS (applications, payments, reviews)
- KERMIT
- IRIS
- eSubmission
- Whistler
- Discoverer
- ERP
- EIMS
- Open Data Portal
- ABA
- GIS maps
- External Reports and Data Downloads

A full list of impacted systems is in the [Online Services](#) section of the website.

Please note that normal incident and emergency protocols apply. Operators are encouraged to download a copy of [Form A: Minor Incident Form](#) in advance of the outage to record information on any minor incidents. This should be entered into KERMIT upon restoration of online services. Major incidents and spills should be reported through the 24-hour reporting hotline at 1-800-663-3456. This number is not affected by the outage.
