

Quarterly Enforcement Action Summary

Q2 April 1, 2017 to June 30, 2017

The BC Oil and Gas Commission (Commission) is the provincial regulatory agency with responsibility for regulating oil and gas activities in British Columbia, including exploration, development, pipeline transportation and reclamation.

This summary provides a quarterly overview of enforcement actions undertaken by the Commission during the second quarter of 2017. Please contact OGC.Communications@bcogc.ca with any questions or comments.

Table of Contents

Compliance categories with no enforcement actions issued during this quarter have not been listed.

Order

Issued if there is a failure to comply with the [Oil and Gas Activities Act \(OGAA\)](#), associated regulations, permits or authorizations, or a previous order. Orders may also be issued to protect public safety or the environment, or to promote the conservation of petroleum and natural gas resources. Orders are available on the [Compliance and Enforcement page](#) of the Commission website. 2

Contravention Decision

A decision made on whether a contravention of OGAA, associated regulations, permits or authorizations, or previous orders has occurred. An administrative penalty may be levied in accordance with the Act and Administrative Penalties Regulation. Contravention Decisions are available on the [Compliance and Enforcement page](#) of the Commission website. 7

Definitions

Order Terminated:

Once the Commission is satisfied the circumstances giving rise to an order have been addressed or are no longer present, the Commission may terminate the order.

Compliance Ongoing:

This covers situations where a permit holder is working to comply with the requirements laid out in the order. The enforcement process remains active and open.
