

Mandatory COVID-19 Vaccination Verification External Attestation Form

I/We ACKNOWLEDGE I have read and understand the BC Oil and Gas Commission's (Commission) Mandatory COVID-19 Vaccination Verification requirements and recognize my complying with its terms and requirements is a condition of providing services to the Commission.

I/We also certify the information provided on this form is accurate and true.

Myself and all my employees/sub trades that will be providing services to the Commission are fully vaccinated against COVID-19, as defined by the BC Provincial Health Officer, which may include a subsequent booster shot if required. I understand that verification of my/our vaccination status may be requested at any time by the Commission, in which case I/we will be required to present a valid BC VaccinationPassport.

Company Name: _____

Name of person completing this Attestation: _____

Position: _____

Signature: _____

Date of Completion: _____

NOTE:

- Providing false information on this document will result in the Commission terminating services with the individual/company.
- Accommodation will be made to those individuals who have been granted an exemption from the Provincial Health Office or one granted based on a protected legal ground under the *BC Human Rights Code*.
- This document will be maintained confidentially by the Commission.
