Dear Sir:

Re: Concurrent Depletion of Oil and Gas
Aitken Creek - Gething

This will acknowledge receipt of your application 1978 05 18, requesting permission to inject processed natural gas liquids from the Aitken Creek Gething pool into the well d-43-L/94-A-14 through the existing perforations 4386-4407 K.B.

Your application is approved subject to the condition that the volume of injected natural gas liquids be reported on a monthly basis on the Gas Processing Statement Form 17. Annual volumes should also be reported in the annual report for the concurrent depletion scheme.

Yours truly

J.D. Lineham
