Izet Ferraj
Sr. Exploitation Engineer
Canlin Energy Corporation
2600, 237 - 4th Avenue SW
Calgary AB T2P 4K3

Dear Izet Ferraj:

**RE: PRODUCED WATER DISPOSAL SPECIAL PROJECT CANCELLATION
CANLIN COMMOTION c-29-C/93-P-12 (WA# 4411)
COMMOTION FIELD – COMMOTION FORMATION**

The subject well was drilled in 1978 and completed as a gas well into the Pardonet-Baldonnel formation in 1979 but never produced. The well was subsequently completed in the Commotion formation in May of 1980 and approval for salt water disposal into the Commotion formation was granted on December 29, 1981. Disposal operations commenced in March of 1985 and continued until March of 2012. On October 17th, 2019, Canlin Energy Corporation indicated having no plans for reactivation and concurred that cancellation of the disposal approval is appropriate.

Pursuant to the *Oil and Gas Activities Act (OGAA)* section 75(2)(b), the Commission may cancel, suspend or amend a designation (iii) if the Commission considers that the designation is spent, or (iv) if the Commission considers that the designation is no longer appropriate, including, without limitation, for reasons of (a) public safety, (b) protection of the environment, or (c) conservation of petroleum and natural gas resources.

The Special Project Approval granted on December 29th, 1981 for the Commotion field, Commotion formation, well Canlin Commotion c-29-C/93-P-12 (WA 4411) is hereby cancelled under section 75(2)(b) of OGAA. In accordance with Section 75(2)(b)(iii), the Commission considers that the designation is spent.

Should you have any questions, please contact Logan Gray at (250) 419-4465 or the undersigned at (250) 419-4430.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ron Stefik", written over a horizontal line.
