Dear Sir:

Re: Conversion to Water Disposal
a-65-G/94-J-10

This is to advise that we have approved the application, dated January 26, 1970, for disposal of water produced from the Slave Point formation in Clarke Lake into that formation in the subject well. This approval is effective as of February 19, 1970, and was given verbally on that date to your Mr. D. Broughton.

The approval is subject to modification by the Chief, Petroleum and Natural Gas Branch, if deemed necessary at some future date.

Yours truly,

J. D. Lineham
Chief
Petroleum and Natural Gas Branch
