Mr. Gordon W. Marsden
BHP Petroleum (Canada) Inc.
800 Pattison Square
550-11th Avenue S.W.
Calgary, Alberta
T2R 1M7

Dear Sir:

**INTERIM GAS INJECTION EVALUATION TEST
BHP (CAN) GPOG CECIL 6-7-85-17 W6 (WA3867)
CECIL-NORTH PINE 'A' POOL**

This acknowledges receipt of a copy of your letter to Scurry-Rainbow Oil Limited dated July 27, 1989, on the above-noted subject.

Since Scurry-Rainbow has agreed to this evaluation test as per their waiver of July 31, 1989, approval is hereby granted under Division 84.01 of the Drilling and Production Regulation, to conduct a 30-day injectivity evaluation test as outlined in your letter to Scurry-Rainbow.

Please submit a report on the injectivity test to this office as soon as the test data have been analysed.

Yours sincerely,

Bou van Oort
Chief Reservoir Engineer
Engineering & Operations
Branch
